## CHURCH COMMITMENT

- Are you willing faithfully to attend the regular gatherings of the church, support the church's mission, and gladly submit to the leadership of the church (unless conscience dictates otherwise)?
- Will you always strive to speak positively about church leaders and other church members?
- If difficulties arise in your relationship with others in the church, are you willing to deal biblically with that person rather than gossiping or retaliating in an ungodly way?
- What special abilities, gifts, or spiritual gifts do you possess that might be used to build up the church and help promote the gospel?
- Are you willing to support the church and the advance of the gospel with your financial gifts?
- Have you read and are you willing to commit yourself to fulfilling, to the best of your ability, the Providence Church Covenant?
- Have you read and do you without reservation agree with the Providence Statement of Faith?
- While we do not require complete agreement with or knowledge of every part of our church confession, we are interested to know if you have concerns. Are you aware of any disagreement between your beliefs and *Westminster Confession of Faith*?
